| 2026       | 50 km   | 8 Speed Automatic | 5 door    | Grey   | J26025       |

## Retailer Comments

The 2026 Jaguar F-PACE P250 RDynamic S Auto pairs a refined 2.0L turbocharged fourcylinder Ingenium engine—delivering 247hp and 269lbft of torque—with a seamless 8speed automatic transmission featuring satinchrome paddle shifters. Standard allwheel drive ensures confident traction in all Canadian driving conditions, while Adaptive Dynamics and Configurable Dynamics systems refine handling for a poised, engaging ride experience. Inside, the F-PACE welcomes occupants with a suite of premium amenities: the Pivi Pro infotainment system (with Apple CarPlay, Android Auto, Bluetooth, and builtin WiFi hotspot), a Meridian sound system, and remote engine start. Comfort is assured with a power/tilt/telescoping steering column, heated steering wheel, multizone climate control, and cabin air purification—while the Gestureactivated Power Tailgate adds handsfree convenience. Drivercentric features enhance both safety and sophistication: the Driver Intelligence Pack comes standard, offering a headsup display, 3D surroundview camera, Parking Assist, adaptive cruise control with steering assist, lanekeeping and blindspot monitoring, automated highbeam headlights, and rainsensing wipers. Configurable cabin lighting, illuminated metal treadplates, and premium satinash wood or metal veneer trims provide a refined ambiance befitting a true luxury SUV.
